Raka Firmansyah Setiawan

Student ID: 19

B

Strong

Demonstrates solid academic performance and generally meets expected standards.

Executive Summary

Raka Firmansyah Setiawan achieved a final grade of B, categorized as Strong. Academic performance remains balanced across subjects with opportunities for continued improvement. Further development in weekly study routines would strengthen overall learning effectiveness. 5 targeted learning plans are recommended to support continued development.

Social Studies	71.8	Low

Learning & Development Summary

Positive Indicators

Learning Habits

- **Learning Consistency**
Demonstrates consistent attendance and a strong commitment to the learning process.
- **Classroom Engagement**
Actively engages and contributes meaningfully to classroom discussions and learning activities.

Focus Areas

Learning Habits

- **Study Discipline**
Developing a more structured and consistent study routine would significantly enhance learning efficacy.

Academic Performance

- **Mathematics**
Further practice would enhance the comprehension and application of mathematical concepts.
- **Science**
Displays a sound understanding of scientific concepts, with potential for enhanced application.
- **Language**
Displays foundational communication and comprehension skills, with areas identified for refinement.
- **Social Studies**
Analytical thinking and the contextualization of concepts within real-world situations would benefit from further development.

Learning Plan

Area	Plan	Status	Action	Success Indicator
Learning Habits	Build consistent self-study habits	Needs Attention	- Allocate 30–45 minutes for daily study. - Create a weekly study schedule. - Track study sessions using a learning journal.	Weekly study hours reach at least 10 hours.
Mathematics	Improve mathematical problem-solving ability	Needs Attention	- Practice mathematics exercises three times per week. - Review incorrect answers and identify common mistakes. - Seek clarification on difficult concepts when needed.	Mathematics score improves by at least 10 points.
Science	Deepen scientific understanding	Suggested	- Review scientific concepts regularly. - Use diagrams and examples to strengthen understanding. - Relate concepts to everyday situations.	Science score improves by at least 5 points.
Language	Enhance communication and comprehension skills	Suggested	- Read articles or stories regularly. - Expand vocabulary through weekly review. - Practice writing summaries of learning materials.	Language score improves by at least 5 points.
Social Studies	Develop contextual analysis skills	Needs Attention	- Practice summarizing concepts using mind maps. - Discuss social issues and relate them to learning materials. - Apply concepts to practical examples.	Social Studies score improves by at least 10 points.

Learning Observations

Engagement Balance

The student exhibits commendable active engagement within the classroom setting. Cultivating more consistent independent study routines could further optimize the translation of this engagement into enhanced academic achievement.

Commitment Balance

The student's consistent attendance reflects a strong commitment to learning. Further academic development would benefit from establishing more robust independent study habits.
