Nadia Wibowo Saputra

Student ID: 22

B

Strong

Demonstrates solid academic performance and generally meets expected standards.

Executive Summary

Nadia Wibowo Saputra achieved a final grade of B, categorized as Strong. Academic performance remains balanced across subjects with opportunities for continued improvement. Further development in weekly study routines would strengthen overall learning effectiveness. 5 targeted learning plans are recommended to support continued development.

Learning & Development Summary

Positive Indicators

Learning Habits

- **Learning Consistency**
Demonstrates consistent attendance and a strong commitment to the learning process.
- **Classroom Engagement**
Actively engages and contributes meaningfully to classroom discussions and learning activities.

Focus Areas

Learning Habits

- **Study Habit**
Maintains a foundational study routine, with opportunities to cultivate more robust learning habits.

Academic Performance

- **Mathematics**
Displays a foundational understanding of mathematical concepts, with potential for advanced application.
- **Science**
Displays a sound understanding of scientific concepts, with potential for enhanced application.
- **Language**
Displays foundational communication and comprehension skills, with areas identified for refinement.
- **Social Studies**
Displays a sound understanding of social concepts, with potential for developing more in-depth analytical skills.

Learning Plan

Area	Plan	Status	Action	Success Indicator
Learning Habits	Develop stronger study habits	Suggested	- Maintain a consistent study schedule. - Increase focused study time gradually. - Review learning materials at the end of each week.	Weekly study hours exceed 20 hours.
Mathematics	Strengthen mathematical reasoning	Suggested	- Review challenging topics weekly. - Practice solving mathematical problems regularly. - Focus on understanding concepts rather than memorizing formulas.	Mathematics score improves by at least 5 points.
Science	Deepen scientific understanding	Suggested	- Review scientific concepts regularly. - Use diagrams and examples to strengthen understanding. - Relate concepts to everyday situations.	Science score improves by at least 5 points.
Language	Enhance communication and comprehension skills	Suggested	- Read articles or stories regularly. - Expand vocabulary through weekly review. - Practice writing summaries of learning materials.	Language score improves by at least 5 points.
Social Studies	Strengthen contextual understanding	Suggested	- Review key concepts regularly. - Connect learning materials with current events. - Practice analyzing case examples.	Social Studies score improves by at least 5 points.
